We've had a long standing relationship with C.V. and have sent him many containers over the years. Sure wish there was a CRI representative who could go to his graduation!

GRADUATION INVITATION

...Then Samuel took a stone, and set it between Mizpeh and Shen, and called the name of it Ebenezer, saying, Hitherto hath the LORD helped us...1 Samuel 7:12

Hello every one!!! I want you all to know that it is by the providence of the Lord that I was able to come to Biola University and complete my studies here in the USA. The Lord also helped us to get to know each other and also to cooperate in many of the ministries in India. Your encouragement and support for the past several years in many ways enabled our team to touch the lives of thousands of people in India for the Lord. May the good Lord reward you suitably and bless you and your families abundantly. Now comes the time to say Good Bye to you all. I am returning to India with my wife with a greater vision and firm commitment in the face of tremendous opposition to active evangelism. I count on your continued prayers and support in the difficult mission field of India, [with over a billion people of all cultures and

languages]. I will remember your kindness. Please stay in touch.

Your brother in Christ,
C V. Vadavana
